We improve liquidity

Liquidity is Created in One of Two Ways

1. More Market Makers

Not going to happen...

2. Incentivise Market Makers

BUT HOW

We Monetize Market Making

Simple

We maintain the feel and flow

No.

Can a trader be held accountable?

So we keep the broker. But...

We let the machine streamline objective market making etiquette

The Gentlemen's Game

Every market request recieves equal attention
Fastest finger first
Response. Reaction. Response
Limited set of responses
